LEVERAGING SOCIAL INVESTMENT NETWORK FOR SDGs

AVPN OVERVIEW

How AVPN mobilises capital towards impact

AVPN, with its extensive network of social investors and impact organisations pipelines, has proven track record in mobilising capital towards impacts in Asia Pacific. We are the field builder of collaborative and trust-based philanthropy in the region, driving social and environmental change through aligning collective actions among different key stakeholders.

FOCUS ON IMPACT

- Philanthropic Foundation
 - Corporates
 - Impact Investors
 - Family Office
 - Academia
 - Intermediaries
 - Government

As an ecosystem-builder, AVPN engages its members in a variety of activities in order to build capacity, foster connection, seed collaboration, and spur action to grow social investment in Asia-Pacific.

FUNDING SILOS & FUNDERS BARRIERS

Lack of due diligence capacity among new or small-sized philanthropists.

Large funders unable to deploy funding to high-potential interventions.

New impact investors and grantors providing technical assistance struggle to develop a pipeline of investable social enterprises.

Lack of growth and scalability among impact organizations beyond the grassroots level

HUGE UNTAPPED POTENTIAL

- Asia has > **1/3** of the world's **billionaires** ([Nikkei, 2022](#))
- **86%** of **HNW Asian millennials** are seeking more opportunities to tackle societal issues through investing ([RBC Wealth Management](#))
- Increasing pipeline of **deals** across sectors
- Estimated **US\$502 billion** potential for impact investment
- **60% of investors in Asia** plan to increase their impact investment portfolio

ON INDONESIA MARKET

Indonesia is one of the top markets of AVPN's members. It means there's a lot of opportunity to mobilise social investment of Indonesia.
